If you have an allergy or dietary requirement, please inform a member of our team who will assist you. Whilst we take every possible precaution when preparing allergen dishes, due to the busy nature of our kitchen and the wide range of ingredients used, we cannot guarantee that any dish is 100% free for a cross contamination or any physical/airborne traces and as such may not be suitable for those with severe allergies.

Being authentically Thai, many of our dishes contain fish sauce. If you are vegetarian, vegan or have a fish allergy - please ensure you inform your server when ordering. Our chefs will be able to prepare your dishes without any fish sauce and using curry pastes containing no animal products where necessary.
